JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY HYDERABAD

Smt. Shailaja Ramaiyer
IAS
Incharge Vice-Chancellor

Message from Vice-Chancellor

I am extremely happy that an International Conference is being organized on “**Computational Intelligence & Informatics (ICCII-2016)** on 28-30 May 2016 by the Department of Computer Science and Engineering, JNTUH College of Engineering (Autonomous) Hyderabad.

The contributions from the delegates and speakers including Professionals from industry, academia and government, across the globe will be helpful in promoting Research in the field of Information Technology.

I extend my warmly wishes to all members of Department of Computer Science and Engineering and I am sure that they will continue to strive for Excellence in Knowledge, Creation and Dissemination.

I wish ICCII-2016 all success.

VICE-CHANCELLOR

RECTOR

Message

The areas of Computational Intelligence and Informatics are indeed revolutionizing the way research is conducted in Science & Engineering. I am happy that the Department of CSE, JNTUHCEH, is organizing ICCII-2016 which will prove to be a premium forum for researchers, professionals, engineers, industry experts to solve the challenges in these emerging areas. Best Wishes for the success of ICCII-2016.

REGISTRAR

MESSAGE

There have been a surge of innovations in the areas of Information, Communication, and Networking touching every walk of life. I am sure International Conference on Computational Intelligence and Informatics - 2016 will certainly serve as a research platform for the unsurpassed advances that are yet to be made in myriads of application domains. I hope ICCII-2016 will be successful in bringing out the research efforts and also in sustaining knowledge for the betterment of humanity. I congratulate the JNTUH college of Engineering (Autonomous) Hyderabad in particular the department of Computer Science and Engineering.

I wish the conference International Conference on Computational Intelligence and Informatics – 2016 a grand success and look forward to result in productive outcomes.

Message

I am extremely happy to note that ICCII-2016 is being organized by Department of Computer Science and Engineering. Conferences of this nature provide splendid opportunity for researchers across the globe to meet, interact, exchange ideas and identify the thrust areas for further research. I am sure that the keynote sessions and workshop lectures in the emerging areas of Data Analytics, IoT Security would create excitement and inspiration among the delegates, researchers and students. Further, I wish that the deliberations of the Conference would open the doors of yet unseen world.

I congratulate the entire team of International Conference for putting extraordinary efforts to bring it to this level.

I wish ICCII-2016 a grand success.

Best Wishes

Dr. A. Govardhan

Message

I am happy to invite you all for the First International Conference on Computational Intelligence and Informatics (ICCII-2016) which is to be held during 28-30 May, 2016 at the Dept. of Computer Science & Engineering, JNTUH College of Engineering, Hyderabad.

About 320 papers authored by more than 500 authors from the stream of Computer Science & Engineering and other allied disciplines have been received. Out of which, 75 papers have been selected after rigorous screening process by a panel of reviewers. In this first International Conference, more than 500 academicians and researchers from various academic Institutions/Industries are participating, and presenting their research work.

The deliberations of this conference will bring out the latest advancements in the field of Computer Science & Engineering. I hope the conference proceedings will be a masterpiece to the researchers who are pursuing their research work. Once again I welcome all the academicians and researchers to the conference and I assure that it would provide a great experience.

Best Wishes,

Dr. V. Kamakshi Prasad

EDITOR-IN-CHIEF

MESSAGE

I am glad to note that “Department of Computer Sciences & Engineering, JNTUH College of Engineering, Kukatpally, Hyderabad” has taken the initiative to conduct a two day International Conference on Computational Intelligence and Informatics (ICCII-2016) during 29th & 30th May 2016. Advances in computational Technologies with intelligence and Informatics gives the best possible information and communication updates in current trends. I am sure the deliberations during the conference will expose the Staff, Research Scholars and Students to what is new and what is ahead in Computational Intelligence and Informatics

I congratulate the organizers and convey my best wishes for the success of the Conference in the fulfillment of its objectives.

With Regards

*(DR. VAKA MURALI MOHAN)
